

#### **§ 4.834**

(2) stipulations; (3) limitation of number of witnesses; and exchange of witness lists; (4) procedure applicable to the proceeding; (5) offers of settlement; and (6) scheduling of the dates for exchange of exhibits. Additional pre-hearing conferences may be scheduled at the discretion of the administrative law judge, upon his own motion or the motion of a party.

#### **HEARING**

#### **§ 4.834 Purpose.**

(a) The hearing is directed primarily to receiving factual evidence and expert opinion testimony related to the issues in the proceeding. A hearing will be held only in cases where issues of fact must be resolved in order to determine whether the applicant or recipient has failed to comply with one or more applicable requirements of title VI of the Civil Rights Act of 1964 (sec. 602, 42 U.S.C. 2000d-1) and part 17 of this title. However, this shall not prevent the parties from entering into a stipulation of the facts.

(b) If all facts are stipulated, the proceedings shall go to conclusion in accordance with part 17 of this title and the rules in this subpart.

(c) In any case where it appears from the answer of the applicant or recipient to the notice of hearing or notice of opportunity to request a hearing, from his failure timely to answer, or from his admissions or stipulations in the record that there are no matters of material fact in dispute, the administrative law judge may enter an order so finding, vacating the hearing date if one has been set, and fixing the time for the submission of evidence by the Government for the record. Thereafter, the proceedings shall go to conclusion in accordance with part 17 of this title and the rules in this subpart. An appeal from such order may be allowed in accordance with the rules for interlocutory appeal in § 4.823.

#### **§ 4.835 Evidence.**

Formal rules of evidence will not apply to the proceeding. Irrelevant, immaterial, unreliable, and unduly repetitious evidence will be excluded from the record of a hearing. Hearsay evidence shall not be inadmissible as such.

#### **43 CFR Subtitle A (10-1-11 Edition)**

#### **§ 4.836 Official notice.**

Whenever a party offers a public document, or part thereof, in evidence, and such document, or part thereof, has been shown by the offeror to be reasonably available to the public, such document need not be produced or marked for identification, but may be offered for official notice as a public document item by specifying the document or relevant part thereof. Official notice may also be taken of other matters, at the discretion of the administrative law judge.

#### **§ 4.837 Testimony.**

Testimony shall be given under oath by witnesses at the hearing. A witness shall be available for cross-examination, and, at the discretion of the administrative law judge, may be cross-examined without regard to the scope of direct examination as to any matter which is material to the proceeding.

#### **§ 4.838 Objections.**

Objections to evidence shall be timely, and the party making them shall briefly state the ground relied upon.

#### **§ 4.839 Exceptions.**

Exceptions to rulings of the administrative law judge are unnecessary. It is sufficient that a party, at the time the ruling of the administrative law judge is sought, makes known the action which he desires the administrative law judge to take, or his objection to an action taken, and his ground therefor.

#### **§ 4.840 Offer of proof.**

An offer of proof made in connection with an objection taken to any ruling of the administrative law judge excluding proffered oral testimony shall consist of a statement of the substance of the evidence which counsel contends would be adduced by such testimony. If the excluded evidence consists of evidence in written form or consists of reference to documents, a copy of such evidence shall be marked for identification and shall accompany the record as the offer of proof.
